### **OCSRA MONTHLY GUEST SPEAKERS**

Dr. Ryan Christoph was the guest speaker at OCSRA's September meeting. He is the Executive Director of Career Technical Education (CTE), Alternative Learning School, and Indian Education at Omak High School. He discussed Omak's CTE/vocational program and his hopes of creating a Skill Center in Okanogan County.

T Lewis, from Omak, is an award-winning comic artist known for the "Over the Hedge" comic strip and its movie adaptation. He was the guest speaker at OCSRA's October meeting. He also worked on Mickey Mouse comic books at Disney Studios.

Lanita Pomeroy from Moses Lake attended OCSRA's October

meeting with her husband, Dale. She serves as our District 6 Representative to the WSSRA Board, beginning her first year of a three-year commitment as a Board Representative.

## **FEBRUARY OCSRA GUEST SPEAKER**

May Riggan and her students will be the featured speakers for the February OCSTR monthly meeting. She is in her fourth year of teaching at Omak High School and is excited to have some students highlight the benefits of the Foods program. She is eager to showcase the program's offerings and provide opportunities for students to describe their classroom and lab experiences.

May has 38 years of experience in the automotive service industry, having held positions such as General Manager, Service Manager, and Fixed Operations Director. She brings real-world career skills into her teaching to bridge the gap between the classroom and the workforce, building practical skills, professional confidence, and direct pathways to future careers. We hope you can attend.

## **2026 WSSRA LEGISLATIVE PRIORITIES**

Washington State School Retirees'

- Restore an automatic ongoing cost-of-living adjustment for TRS 1 and PERS 1 retirees. Pass Substitute Senate Bill 5085.
- Protect the \$183 Medicare Eligible Healthcare Subsidy. Make sure funding remains in the budget to reduce costs for retirees who get health insurance through the Public Employees Benefits Board.
- Fully fund pensions. Maintain actuarially recommended employer contributions to make sure we have among the healthiest retirement systems in the country.
- Improve health and pension benefits for members of Plans 2 and 3.

## **LEGISLATIVE UPDATE**

The Governor's Budget **DID NOT** propose a COLA for TRS 1 and PERS 1 retirees in 2026. Also, Emmett (WSSRA'S Legislative Coordinator) informed the WSSRA Legislative Committee that Senate Democrats will be working with House Democrats on a version of HB 2034, which ends LEOFF 1 to be replaced with the Restated Law Enforcement Officers' and Firefighters' Retirement System (Restated LEOFF).

### **Other key factors of HB 2034 include:**

- Using excess billions of LEOFF 1 funding to fund Restated LEOFF at 120 percent.
- Immediately vests all remaining LEOFF 1.
- Allows active employees of LEOFF 1 to retire—**with a \$25,000 bonus.**
- Transfer all remaining assets to the Pension Stabilization Account, from which it can then be transferred to the State General Fund for use by legislators.

FYI, legal advice to the SCPP stated SSB 5085 (Plans 1 COLA) was preferable to HB 2034. **As a result of this shift by legislators, WSSRA lobbying efforts will shift to supporting HB 1474, another one-time capped COLA for TRS 1 and PERS 1.** Since it has a cost, the chance for success is questionable.

WSSRA will be working to protect the \$183 Medicare Eligible Healthcare Subsidy, which benefits all Medicare-eligible retirees who get health insurance through the Health Care

Authority (HCA)/Public Employees Benefit Board (PEBB). This was included in the Governor's budget. (FYI--The legislature reduced it to \$150 in 2011 for seven years.)

As always, WSSRA will be working to maintain/improve health and pension benefits for members of Plans 2 & 3.

The 2026 legislative session started today, Monday, January 12, and lasts 60 days, scheduled to end on March 12. The chief Senate budget writer and Governor Ferguson set the tone by making it known that **legislators should not ask for any new spending**. However, new taxes and increases on existing taxes have already been suggested.

You are urged to take a little time to explore <https://leg.wa.gov/>, where Contact information for legislators can be found under the "Legislators" tab. More information on bills can be found under the "Bills and Initiatives" tab. Information on committee meetings/times can be found under the "Committees" tab, as well as how to sign up to testify or just leave a comment. Any and all things legislative can be found on this site, though you may have to explore a little to find what you want.

Jim Davison, Legislative Chair  
WWCSRA
