Official Grant Application for October 28th – November 9th, 2020:

In response to the impact of Covid-19 WSSRA Unit is changing the mini-grant application process. As usual, all school employees are eligible to apply. However, this year we are looking to maximize our dollars and grant proposals will be judged on merit (number of students affected, feasibility of success, and funding needed). In the past each grant was for \$150, this year amounts awarded will vary from \$150 and above based on the criteria above. Grant applications must be submitted via email and received by the cutoff date. Preference will be given to Unit 21 members. A non-member may apply and receive a grant one time. If you wish to apply and receive future grants we ask that you become a member of Unit 21 by completing an Automatic Direct Deposit form and by returning it to the name and address listed on the bottom of the form.

To apply for a grant please fill out this form completely and return via email. Applications must be dated no later than November 9th.
